

height of hypocrisy, the height of hypocrisy for the Democrats to come down here and complain about what the Republicans are doing after the way they have run this House for the last 40 years.

Mr. NADLER. Mr. Speaker, I demand that the gentleman's words be taken down.

The SPEAKER pro tempore (Mr. SHAYS). The gentleman will be seated. The Clerk will report the words.

□ 1230

The Clerk read as follows:

But it is apparent to anyone who is paying attention to what is going on that the Democratic Party is doing everything they can to derail the Contract With America. They are proposing hundreds of amendments to slow down the process. All I want to say is that it is the height of hypocrisy, the height of hypocrisy for the Democrats to come down here and complain about what the Republicans are doing after the way they have run this House for the last 40 years.

The SPEAKER pro tempore (Mr. SHAYS). The Chair is prepared to rule.

It would be out of order for the gentleman to make reference to a particular Member, but precedent suggests that reference to procedures, or amendments, or to parties is not out of order.

The House will proceed in regular order please.

#### PARLIAMENTARY INQUIRY

Mr. NADLER. Mr. Speaker, I have a parliamentary inquiry.

The SPEAKER pro tempore. The gentleman will state his parliamentary inquiry.

Mr. NADLER. The second half of the statement of the distinguished gentleman made reference to the hypocrisy of the Democrats. The context clearly indicated that it was the Democratic Members of the House that he was referring to. My parliamentary inquiry, therefore:

Since the rules prohibit the impugning of motives of Members of the House, and the gentleman impugned the motives of a group of Members of the House, just under half the Members of the House; so is it not permitted under the rules then to impugn the motives of an individual Member of the House, but to impugn the motives of a group of Members of the House is permitted?

The SPEAKER pro tempore. The Chair believes that collective political motivation can be discussed and it was not discernible that it was relating to any particular Member.

The House will proceed in regular order, please.

#### CALLING FOR A RENEWED COMMITMENT TO AMERICORPS

(Mr. WARD asked and was given permission to address the House for 1 minute.)

Mr. WARD. Mr. Speaker, I rise today in support of the President in his efforts to strengthen our communities and enable young Americans to further

their education through the National Service Program, AmeriCorps.

As a former Peace Corps volunteer, I know the value of serving our community here in the United States as well as around the world.

Despite its short existence, President Clinton's National Service Program has already achieved remarkable results in terms of participation, serving our communities, and extending the invaluable benefits of higher education to tens of thousands of young Americans.

In my hometown of Louisville, the 22 volunteers of the ACME Program, which is affiliated with AmeriCorps, serves at-risk youths in local schools through safety and education programs. Also in Kentucky, AmeriCorps sponsors a housing and homeless program. This program seeks to provide affordable housing for those in need.

I believe that programs such as AmeriCorps can only make our Nation stronger and bring our people closer. Mr. Speaker, I call for a renewed commitment to AmeriCorps.

#### THE TIME TO DELIVER IS HERE

Mr. BROWNBACK asked and was given permission to address the House for 1 minute.)

Mr. BROWNBACK. Mr. Speaker, I rise to address the body to comment about the elections on November 8 and the clear statement the American people spoke of at that point, which was to reduce the size, the scope, and the intrusiveness of the Federal Government. It has come that time to stand and deliver.

I call on the administration to put forward proposals looking at all Federal agencies for their continued work and their efforts in questioning whether or not we should reduce the Federal role in these areas, and I ask the administration to address that and to examine whole roles of agencies and programs. This body has been continually focused on the costs of these programs. I would ask the body to consider the responsibility of us to our children and the enormous deficit that has been put forth, the enormous debt that has been accumulated and what responsibility we have to the children of this country to free them of that debt.

Mr. Speaker, it is one thing to spend our children's inheritance. It is quite another to spend them in debt, as we have, and also the opportunity we have to free the society of these strains.

#### GET THE FACTS STRAIGHT

(Mr. ABERCROMBIE asked and was given permission to address the House for 1 minute.)

Mr. ABERCROMBIE. Mr. Speaker, to correct the record, I believe the gentleman from the 18th District of Illinois [Mr. LAHOOD] who surely is no rookie to the process here, perhaps unintentionally mischaracterized what has happened in terms of the history of

the House. He said, if I understood him correctly, that no piece of major legislation has ever passed under open rules while the Democrat majority was in power.

As a member of the Committee on Armed Services and as a member of the Committee on Natural Resources, Mr. Speaker, I can tell my colleagues that the gentleman from California [Mr. DELLUMS] and the gentleman from California [Mr. MILLER] conducted every single piece of legislation under open rules. Every single hearing, including the budget hearings, were open. Every single Member of the then-minority who wanted to offer an amendment was able to do so, no matter how long, no matter how lengthy. That was the case.

Also, Mr. Speaker, I think it is a mischaracterization not to indicate to the American people and to new Members of the House here that time was equally divided always under the chairmanships of the gentleman from California [Mr. DELLUMS] and the gentleman from California [Mr. MILLER].

Get the facts straight, get the process right, and good legislation will follow.

□ 1240

#### U.S. INVENTORS THREATENED BY NEW REQUIREMENT OF GATT IMPLEMENTATION LEGISLATION

(Mr. ROHRABACHER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROHRABACHER. Mr. Speaker, pardon me for talking about legislation for a few moments.

Mr. Speaker, I am asking my colleagues today to join with almost 100 Members of this body in cosponsoring H.R. 359. This legislation is aimed at preventing a crime against the American people. That crime was made possible by a provision, not required by GATT but snuck into the GATT implementation legislation, that will have the effect of decreasing the number of years of patent protection enjoyed by American citizens.

H.R. 359 ensures that Americans will have the 17 years of protection that has traditionally been our right. Almost 100 Republicans, Democrats, protectionists, free-traders, liberals, and conservatives have joined together to prevent this rip-off that could see billions of dollars that should go to American inventors and investors instead ending up in the bank accounts of foreign and multinational corporations.

Mr. Speaker, I ask the Members to please join in cosponsoring H.R. 359.

#### THE NEW ANTIFEMININE TRENCH INFECTION PILL

(Mrs. SCHROEDER asked and was given permission to address the House for 1 minute.)
